

Diplomate of National Board (DNB)

- Is the title awarded by the National Board of Examinations (NBE), an autonomous academic body under the Ministry of Health and Family Welfare, Government of India.
- Is a full-time 3-year post-graduation level program
- The eligibility of the course is qualifying MBBS or equivalent examination with a minimum of 50% and above aggregate percentage along with passing the DNB- CET entrance test
- Admission to the program is done after calculating the marks obtained in the qualifying examination and the national level entrance test

The course is divided into two categories viz. DNB Board Specialists and DNB Super Specialists. The final selection happens after a counseling session conducted by the board for candidates who have passed the CET and registered themselves for the counseling session.

Candidates must note that the admission to DNB CET hospitals will be granted depending upon the scores obtained in National Eligibility cum Entrance Test for Postgraduate (NEET PG) exam.

Aspirants qualifying the entrance test of NEET PG are called for DNB CET Counseling. NBE conducts the separate DNB CET Counseling based on the scores obtained in NEET PG.

Only the eligible candidates are eligible to participate for the counseling process of DNB. The eligible candidates are required to register themselves for counseling of DNB CET in online mode by paying the counseling registration fees.

Along with that, candidates also have to provide their preferences of institutes/hospitals as well as broad specialty in which they wish to get admission into. It is mandatory for candidates to complete DNB CET counseling registration carefully.

The procedure for DNB CET seat allotment is mentioned below.

- While registering, candidates must confirm their by uploading the relevant documents. Meanwhile, aspirants whose will not upload their documents to claim for SC/ST/OBC reservation will be considered for admission to Unreserved/general category.
- After selection of every college and course during DNB CET counseling registration, candidates must lock the options. Without locking of choices, the filled in options will be automatically saved and allotment will be done on the same basis.
- DNB CET allotment will be done on the basis of NEET PG merit, preferences of hospitals/institutes, seats availability of in particular specialty, reservation policy and other factors.
- The higher option or choice after the allotted seat will be selected for next allotment.
- Once an aspirant will be allotted a seat, he/she needs to accept it by logging in. Also the payment should be done in online mode as one-year course fees through NBE online counseling portal.
- After the payment, they have to select the certificate and biometric verification at the center.

- The allotted candidates who have accepted the seat can participate for second round of DNB CET counseling to upgrade their seats.
- Also, registered aspirants who have not been allotted seats can also appear for second or third rounds for DNB CET counseling.
